

GUIDANCE NOTES

You are advised to read the following notes carefully as, unless other selection techniques are used, the decision to shortlist you for interview will be based solely on the information you provide in the Application Form. This advice is designed to help you complete the Application Form as thoroughly as possible.

When completed, read through your Application Form, checking for errors or gaps. Check the closing date and make sure your application is sent in plenty of time because late applications will only be considered in exceptional circumstances. The forms should be returned to the address on the advertisement/Application Form.

HOW WILL YOU KNOW WHAT WE ARE LOOKING FOR?

The job advertisement describes the skills, experience and qualifications we are looking for, and this forms the basis against which you will be assessed. The job description and person specification will be enclosed with your Application Form, to show the main duties, responsibilities and personal attributes of the post. You should read them carefully and try to identify the key words and phrases.

DO YOU HAVE WHAT WE ARE LOOKING FOR?

From the information in the advertisement, job description and person specification work out if you have the skills, knowledge and experience we are seeking. If not, show how you have used them in the past. Do not forget that skills can be transferable. The tasks you perform may not be the same as those in the job you are applying for, but the skills you use to carry out those tasks may be the same.

Remember that the skills and experiences you have gained outside paid work, for example, from domestic responsibilities, unpaid or voluntary work or organising social or community activities can demonstrate skills you have taken for granted which could be a clear sign of your ability to do a job.

ASYLUM AND IMMIGRATION ACT 1996

The successful applicant will be required to provide one original document, which proves their entitlement to work in the UK, e.g. P45 or P60 before an offer of appointment is made. A full list of suitable documents for this purpose will be issued to every successful applicant.

Data is collected by Pontefract Academies Trust in order to process your application under its Recruitment and Selection Policy and will use the data provided for any subsequent employment purposes.

On occasions, Pontefract Academies Trust will have to contact third parties to verify information you have provided and other facts relating to you and your application, for example references.

Pontefract Academies Trust has a duty to protect public funds, therefore information provided on your Application Form may be used to prevent and detect fraud. We may also share this information, for the same purpose, with other organisations that handle public funds.

THE APPLICATION FORM

1. Information

Information you provide in the Application Form will be treated as confidential. In an attempt to ensure greater objectivity in the selection process, it is divided into two parts, (A and B) with only Part B being used to shortlist candidates for interview. Therefore, please do not enter your name on Part B of the Application Form, or on any additional information submitted in support of your application.

2. Completion of the Form

The form should be filled in as completely and clearly as possible, in black ink or typed (where applicable). If you have a disability that prevents you from completing the Application Form, you may have someone complete it on your behalf. Braille or taped applications are welcome and the Application Form is also available on the internet. If you need to attach additional sheets to support your application or to provide additional information, please quote the serial number shown at the top right hand corner of the Application Form. Read each section of the Application Form carefully

Please note there is no serial number on the Application Form available on the Trust's intranet/internet

3. Canvassing

Direct or indirect canvassing of Trustees or senior employees of the Trust by, or on behalf of yourself, is strictly forbidden and will invalidate your application

4. Medical History

All appointments are subject to the successful completion of a medical screening process. A health problem does not preclude a person from full consideration for the job. Information relating to the health of an individual is sensitive personal data and is subject to strict controls under the Data Protection Act, 1998.

5. References

We need a reference from your present or most recent employer. If you have never been employed or have been out of paid work for a long time, you should give the name of a responsible person who knows you well but is not a relative. Referees will be sent a copy of the job description and person specification.

6. Education and Training

The 'Qualifications' section gives you an opportunity to list any examinations or certificates you have gained or are currently taking. For some jobs, qualifications are essential, but not all jobs require formal qualifications – the advertisement, job description and person specification should tell you whether qualifications are required. Original certificates will be checked upon appointment.

7. Employment History

Please provide full details of your current (or last) employment and highlight any achievements in this post. Where the information relates to your previous employment, please provide your reasons for leaving. Please provide a continuous record of all experience, paid, or unpaid, including, for example, voluntary work, positions of responsibility or any other experience you consider relevant. If not full-time indicate the hours worked per week.

Please explain any break in your work experience.

8. Information to Support your Application

This section is probably the most difficult part of the Application Form to complete, however, it is very important. This is where you match your skills, knowledge, experience and personal qualities to the job description, person specification and advert.

Ask yourself why you are interested in the position, for example would it be promotion or alternatively a good career move sideways to broaden your experience? Do not simply repeat your career history. Pick out skills, knowledge and experience required by the job description and person specification and provide evidence that you possess them.

Any supporting information (i.e. additional sheets) should not contain your name or other personal information and should quote the Application Number shown in the top right hand corner of the Application Form on ALL additional sheets.

9. Job Sharing

The Trust supports job sharing as a means of creating job opportunities, offering more flexible working arrangements and as a means of retaining experienced and trained staff. Most jobs within the Trust are available for job sharing and you can request a copy of the Job Sharing Scheme from the Trust's HR Team, or the Academy School Business Manager.

Applications from single job share applicants will be accepted and treated in the same way as full-time applicants. Where a single job share applicant is regarded as being the most suitable applicant for a job, they will be offered the position.
