

## YEAR 7 EXTRA-CURRICULAR CLUBS 2016-17

Department	Activity	Day & Time	Place
Art	<p><b>Art Club</b> For students from Years 7 to 9. Students take part in short, planned activities where they can use materials they would not normally get the opportunity to use in lessons, or come to create their own art work using the materials. Competitions and longer running workshop activities are run occasionally. Students are also involved with school concerts/productions.</p> <p><b>Crochet Club</b> Learning the basics of how to crochet. Crocheted coral reefs, Christmas decorations. The group raised funds for a local food bank last year.</p>	<p>Wednesday 3.15 pm</p> <p>Wednesday week 1 Thursday week 2 3.10 to 4.10 pm</p>	<p>Art Department</p> <p>Art Department</p>
	<p><b>English</b></p> <p><b>Debate Club</b> with Mr Kehoe The Debate Club gives students the opportunity to be creative, share their views, and meet new friends! From school issues to current affairs, there is something for everyone to debate!</p> <p><b>Homework Club</b> with Miss May English Homework Club is open to all students every Thursday after school. Students will be offered a quiet working space, support or further explanation regarding any queries they may have regarding homework tasks. In addition, laptops and associated resources will be available for use if required.</p> <p><b>Film Club</b> with Mrs Nicholson Film Club offers young people the chance to watch, debate and review the very best in cinema. Through weekly screenings, online reviewing and links with other schools, the club is intended to promote new avenues of learning, feed imagination and offer a chance for students to see the world from other perspectives. Students are welcome to bring refreshments.</p> <p><b>Writing Competitions</b> with Mrs Smith. <b>English Support Sessions</b> with Mrs Leydon.</p>	<p>Wednesday lunchtime</p> <p>Wednesday 3.10 to 4.10 pm</p> <p>Monday 3.10 to 4.10 pm</p> <p>Monday lunchtime Friday breaktime</p>	<p>T8</p> <p>T10</p> <p>T8</p> <p>T9 T12</p>
IT	<p><b>Homework/Revision Club</b> For Years 7, 8 and 9. Providing an opportunity to complete homework/revision (any subject), with internet access to It's Learning (VLE), I am Learning, My Maths and BBC Bitesize. An area is also set aside for students to complete written/drawing work.</p> <p><b>Code Club</b> The club will be looking at developing projects in Scratch, Python and Microbits, then moving on to building websites with HTML and CSS. Scratch is a visual programming environment that can be downloaded free from <a href="http://scratch.mit.edu">http://scratch.mit.edu</a>.</p>	<p>Every Lunchtime Monday to Friday 12.30 to 12.55 pm</p> <p>Thursday 3.20 to 4.20 pm</p>	<p>Computer Room 4 Annexe</p> <p>IT Department</p>
	<p><b>Maths</b></p> <p><b>Maths Club</b> This is not a typical Maths club, we don't expect you to sit and answer twenty questions off the board. We want you to come along with your friends and help solve riddles and problems. The first event of the year is always a murder mystery, we expect you to get your detective hats on and solve clues to find the killer! At Easter, there is a huge Easter egg hunt around school solving riddles to locate the next egg. There are prizes and awards to be won. We understand that most students want to join up for as many clubs as possible, so here in the Maths department we hold three big events throughout the academic year, we do not expect a weekly commitment.</p> <p><b>Maths Open House</b> There is always a maths teacher available every lunchtime to help with any outstanding homework or if there is any topics pupils wish to go back over. Pupils are welcome to work in our rooms if they wish for a quiet environment.</p> <p><b>Homework Club</b> with Mrs Poole In the library every Wednesday after school to help with any homework problems. Computers and printing are available.</p>	<p>Thursday 3.15 to 4.30 pm (once per term)</p> <p>Every lunchtime</p> <p>Wednesdays after school</p>	<p>Maths Department</p> <p>Maths Department</p> <p>Library</p>

<b>MFL</b>	<b><u>Singing Club</u></b>	Monday 12.40 to 1.00 pm	MFL Department
<b>PE</b>	<b>Boys Football</b> <b>All years Netball</b> <b>All years Badminton</b> <b>Boys and girls Rugby</b> <b>All years Basketball</b> <b>Girls Netball</b> <b>Boys Rugby</b> There will also be a gymnastics club after Christmas and summer activities in the summer term. At lunchtime please bring a packed lunch, trainers and take off your blazer and tie. Please bring your full kit for after school clubs.	This is a sample of what will be offered and days will be confirmed.	
<b>Performing Arts</b>	Most Performing Arts extra-curricular activities are based around the three public performances held each year, with opportunities to audition for the Christmas Concert, Easter Production and Summer Concert.	See Mr Ashley/Miss Grainger/ Miss Douglas	Performing Arts Dept
<b>Science</b>	<b><u>Science Club</u></b> with Mr Ali and Mr World Students are given the opportunity to take part in practical activities that will build science skills for use in the classroom. They can use science equipment that is not normally available to a full class and investigate topics not currently available to the rest of the school. Students will work as part of a team to design solutions to problems then build, then modify them and present their findings. Some of the exciting projects we have completed in the past include streamlined machines, battery powered buggies, rockets and bridges that can support a person!	Wednesday 3.15 to 4.15 pm	Science Dept
<b>Technology</b>	<b><u>Technology Club</u></b> Students are able to take advantage of the wide range of materials and equipment in Design technology to make a range of items over the year. Autumn term - Making a range of Christmas decorations, from signs for Santa, to baubles, packaging, gifts and cards. Spring term - Making a wide range of food items, including cakes, biscuits and fruit based desserts. Summer Term - Members move into the workshop, to learn how to use a range of tools and machines. We aim to develop students' love of making and crafts by helping them to explore all areas of DT.	Wednesday 3.15 to 4.00 pm	Technology Dept
<b>Pathways</b>	<b>AEN Lunch Club</b> <b>AEN Reading Club</b> <b>Pathways Homework Club</b> <b>AEN Craft Club</b>	Every lunchtime Monday lunchtime Monday and Thursday Thursday lunchtime	P6/7 P6/7 Pathways Dept Pathways Dept
<b>Library</b>	<b><u>Homework Club</u></b>	Every day after school	Library
