

Provisional GCSE and Equivalent Examination Results 2016

All examination results are subject to final verification later in the year. Also, there are a number of candidates whose examination results are subject to a remark due to them missing out on a higher grade. Therefore, we hope that over the next few weeks the results will further improve. The percentage of candidates achieving grades is shown below. Please note, due to rounding, the grades may not add up to 100%.
