

## QUESTIONS YOU COULD ASK WHEN CHOOSING A SCHOOL

- How many hours of English and Maths will be provided for each year group?
- What is the school approach to homework?
- Is there a calendar of extra-curricular activities for each year group?
- What does the range of sporting opportunities look like here?
- What does the range of performing arts opportunities look like here?
- What strategies do you use to encourage success for my child?
- What part do digital technologies play in student learning?
- Do students feel supported at this school? How do you know?
- Will my child be challenged academically, culturally and socially?
- What range of subjects is available especially at Key Stage 4?
- What facilities do you have? Are there any plans to improve or expand these facilities?
- Do you have a well-developed, stable staff? To what degree are teachers specialist at the subjects they teach?
- My child has additional needs. What does the provision look like here?
- What has changed at this school? Recently? In the last 5 years? Are the changes for the better?
- Can we visit whilst the school is in session?
