

Transition Advice

Next year's Year 7 Progress Leader, Mr Disney, will be available outside the Dining Hall at the start of the evening with the current Year 7 Progress Leader, Mr Copeland and Mr Pool, Assistant Headteacher.

They will be more than happy to answer your questions and queries regarding the transition process.

The warm welcome you will receive tonight is the start of what we hope will be a successful five year partnership.

Admissions advice is available from the School Admissions Team at Wakefield Council.
