

Carleton Community High School

A Specialist Science with Mathematics School

Year 11 Pathways

- Coursework: All Coursework will be completed for COPE and Community Volunteering in lessons.
- Examinations: COPE and Community Volunteering do not have examinations. Students will complete Portfolios during lesson time, which are then assessed externally by a Moderator.
- Equipment: All students should have basic equipment for writing and drawing. Any other equipment needed is provided by school eg: Overalls and Wellingtons are provided for Community Volunteering course.
- Important Dates: All coursework will be completed as follows:-
 - Community Volunteering—Christmas Term in Year 11.
 - PSD— Christmas Year 11
 - COPE - Easter of Year 11 for completing this course.
- Homework — Set in various styles depending on the challenges. Homeworks could range from completing a questionnaire to researching issues on the computer.
- Off Site Provision provided at Skills Exchange. Carousel of Vocational Experiences. This takes place on Thursdays of each week until May 2015.
